

Dear Cubbie Parents,

We are very excited to have your child join us this club year. The Cubbies program focuses on teaching children respect for God, His word, and respect for others. We hope that every night your child comes to club they leave knowing that God loves them and that the people at church accept and love them also. As the parent of a preschooler, you are very aware of their eagerness to learn about the world around them. We love this about preschoolers and look forward to partnering with you in teaching your child about God. The Cubbies program is designed for parents to take an active role at home in helping their child memorize their verse for the week. It can be a special time for you and your child to sit down, for even just 10 minutes, and read the weekly story together and then go over the verse for the week. There is an optional 'Under the apple tree' section that you can do with your child to help reinforce the theme for the week. Preschoolers thrive on repetition and fun so during the week make a game of going over the weekly verse together. Parents can choose the short or long version of the verse to go over with their child. The short version is in bold and is great for new cubbies that are learning to memorize. The long version is the whole verse with the reference and is good for our older cubbies. After you have gone over the verse with your child don't forget to sign their book and check off if they know the short or long version of the verse.

The Cubbies calendar is a great go-to tool each week. It will tell you which bear hug unit we will be doing that week, if there is a special theme night, and if your child will be receiving an award that night. There will be a calendar pasted in the front of your child's handbook and extras are available in person or online. **Videos of a child saying their verse can be submitted to the club director if a child misses a week and wishes to catch up.**

All children and parents can enter through the kid's gym doors between 6:15-6:30 to check in and then proceed to their small group that they will stay with the whole night. The Cubbie doors are Exit Only. Checkout for all children is at 8:00. On award nights, come at 7:55 to see your child receive their award in the kid's gym. If a parent needs to stay for a bit while their child gets comfortable, we ask that they stay in the hall due to the size of our classrooms. We have dutch doors so that you can see your child and your child can know you are there. We ask that you send a change of clothes with your child that can stay in their Cubbies bag in case of an accident. If your child is newly potty trained it is also helpful to take them to the bathroom before club starts.

We are so excited for this new club year!

If you have any questions don't hesitate to call or text,

Emily Mullins (360) 477-1923
